

CACHE Level 2 Certificate in Principles of Care Planning (QCF 13 Credits)

What are the specific details?

Duration	You have up to eight weeks to complete the course.
Venue	Run via distance learning and can therefore be fitted around work and personal life.
Cost	Free (fully government funded)*.

Care planning is about addressing an individual's full range of needs whilst accounting for their circumstances and preferences. This qualification will help learners to understand their role in supporting the preferences and needs of individuals in relation to their care or support, and the development and implementation of care plans.

Who is this course suitable for?

This knowledge based qualification is designed for learners already working, or learners who are looking to enter employment in the health and social care sectors.

Do I need any experience?

There aren't any specific recommended prior learning requirements for this qualification. However candidates ideally need to be working in health and social care or related sectors.

How is the course delivered?

The programme is delivered online by a range of assessments. These are assessed by the tutor throughout the programme from induction to completion.

What will I gain from this course?

You will gain the CACHE Level 2 Certificate in Principles of Care Planning (QCF 13 Credits).

What will I learn?

Learners are required to undertake the following units:

- Unit 1 Understand person-centred thinking and planning
- Unit 2 Care planning for the care worker
- Unit 3 Understanding nutrition and hydration in health and social care settings
- Unit 4 Principles of supporting an individual to maintain personal hygiene
- Unit 5 Understand continence care
- Unit 6 Principles of supporting sleep

*Learners must be 19 years+ and have lived in the UK/EU for 3 years.
