

CACHE Level 2 Certificate in Understanding the Safe Handling of Medication in Health & Social Care (QCF 13 Credits)

What are the specific details?

Duration	You have up to eight weeks to complete the course.
Venue	Run via distance learning and can therefore be fitted around work and personal life.
Cost	Free (fully government funded)*.

This distance learning course aims to help learners develop an understanding of handling medicines safely in a health and social care setting.

Who is this course suitable for?

This qualification is ideal for a wide range of learners with some existing knowledge of this area.

Do I need any experience?

There aren't any specific recommended prior learning requirements for this qualification. However candidates ideally need to be working in health and social care or related sectors.

How is the course delivered?

The programme is delivered online by a range of assessments. These are assessed by the tutor throughout the programme from induction to completion.

What will I gain from this course?

You will gain the CACHE Level 2 Certificate in Understanding the Safe Handling of Medication in Health & Social Care (QCF 13 Credits).

What will I learn?

Learners are required to undertake the following units:

- Unit 1 Understand medication and prescriptions
- Unit 2 Supply, storage and disposal of medication
- Unit 3 Understand the requirements for the safe administration of medication
- Unit 4 Record keeping and audit processes for medication administration and storage

*Learners must be 19 years+ and have lived in the UK/EU for 3 years.
