

Should I be at school?

Would an adult have kept you at home before Covid-19?

YES!

You need to stay at home and check for Covid-19 symptoms.

YOU DO NOT NEED a test.

When you feel better, you can go to school as normal and play with your friends without worrying.

You need to stay at home and tell school

Contact 119 and get an adult to book a test at www.gov.uk/coronavirus

Everyone in your house will have to self-isolate until you have the results from your test.

If you or anyone in your house becomes unwell, contact NHS 111, your Dr, or out of hours service.

NO!

Do you have...

A NEW continuous cough?

A fever over 37.8°C on a thermometer?

A loss or change in sense of smell?

YES!

You need to stay at home and check for Covid-19 symptoms.

YOU DO NOT NEED a test.

When you feel better, you can go to school as normal and play with your friends without worrying.

Everyone in your house will have to self-isolate until you have the results from your test.

If you or anyone in your house becomes unwell, contact NHS 111, your Dr, or out of hours service.

NO!

You can go to school as normal and play with your friends without worrying.

If the test is POSITIVE or you haven't been able to get a test, you must stay home for at least 10 days.

If the test is NEGATIVE and the temperature has gone for 24 hours, you can go back to school!
