Vaccination Programme Update

We are working in partnership with our GP Federation, Alliance for Better Care, to deliver the Autumn / Winter Vaccination Programme including Covid-19 first and second jabs, Covid-19 Boosters and Flu Vaccinations.

- Please visit the Alliance for Better Care website for a list of upcoming walk-in clinics. This list is constantly updated, so we recommend that you refresh the page and choose a date that suits you. No appointment required.

- Patients can now request a Vaccination appointment online via <https://abcltd.org.uk/nhsbookajab/>

You will receive a response within 48 hours.

For those not online, our staff and volunteers have access to this information and will do their best to help people who visit us.

Thank you
